

Invitation Letter

Tsinghua Children's English was born in famous Tsinghua University. We are Tsinghua Children's English school Jingzhou branch. We herewith invite two foreign students or volunteers to join us for a short period "Winter Camp 2009"

The English Winter Camp 2010 Jingzhou city, Hubei is an instructive and enjoyable programme here in our small town, Jinzhou, Hubei Province. The winter camp starts from "Feb.1st – Feb.13th, 2010. There will be around 60 students and four Chinese teachers and 2 foreign students teaching English in the camp.

1. This programme combines happy-play and learning together. Foreign students will be teaching (talking with) students English in their own way. In the afternoon and evening, Foreign teachers will be free to play out with students, such as playing basketball, playing games, singing songs, seeing movies, being guests invited to Chinese students family, etc. If interested, Chinese teachers can also teach foreign students simple Chinese. Staying in such a small town this is a good opportunity for foreign students to know more about real China.
2. "Profiles of Students" ----- 50% are primary school students and the Chinese teachers will be the main teachers for them. 50% are middle school students who have been studying simple English for two years.
3. This is also a continuous running programme -- Every winter, every summer foreign teachers are invited to come over to stay for 2 weeks or more to spend a cool summer and a warm winter.

We warmly welcome foreign students to spend Chinese New Year holidays "Feb.13—Feb.18, 2010" with Chinese families. We will provide nice accommodation, meals, and even ONE-WAY air ticket, also a free trip to the sightseeing nearby Jingzhou.

Please be free to let us know your thoughts.

Sincerely yours,
Daud Wang
