

# ***Arab Film Festival Australia***

July-August 2010

Sydney, Canberra, Brisbane, Melbourne and Adelaide

The Arab Film Festival Australia (AFFA) aims to showcase stories emerging from diverse Arabic speaking cultures to all Australian audiences that reflect the complexity and diversity of Arab experiences. Furthermore we aim to address the (mis)representations of Arab culture through film by providing critical spaces and give exposure to alternative representations of Arab culture, Arab commentary and self-representation.

The Arab Film Festival is presented in Sydney at Parramatta Riverside Theatres followed by a national tour where a selection of the films will be screened at venues across Australia.
