AECOM is pursuing program management, design and construction services opportunities for the development of several transit and freight facilities throughout the country. The cities of Makkah, Jeddah and Medina are developing state-of-the-art metro systems and long haul freight lines are in demand.

To register your interest, please apply via our internal jobs – Vacancy No. 94613.

Be a part of shaping the future

**Come and experience
the true spirit and
renowned hospitality
of the Middle East.**

Whether it's working on the world's iconic projects or ensuring roads and buildings are safe for operation, AECOM has been working within the Middle East - leveraging its global knowledge with local expertise to help deliver these projects for our clients to world class standards.

We want you to be a part of this! Not only will you put your mark on ambitious and unique projects, you will experience an amazing environment.

The AECOM Middle East staff are creating new urban communities and sustainable living. From huge reclamation projects to brand new ports to the GCC-wide railway, there is no shortage of imagination with the creation of the environments. But imagination needs thought and technical leaders to bring ideas and ambitions to reality.

If you are excited by working on some of the world's most innovative projects, coupled with the chance to live and work amid a melting pot of rich history and a multitude of different cultures, moving to one of the Middle East's fascinating countries could be just the ticket for you.

What is more, the area is an excellent travel hub, being literally in the 'middle' of the world, providing you a great base to explore the rest of the globe.

Highlights of working in the Middle East

- Close knit expat communities
- Unique projects revolutionizing the region
- Diverse demographics
- Vast leisure opportunities
- Rich heritage blending with modern new landscapes
- An exciting infrastructure development programme across the GCC region

If this sounds appealing, then find out more. The warmth of the Arabian hospitality awaits you.
