

## EXPRESSIONS OF INTEREST – OFFICE SPACE

### The Opportunity

New Muslim Care (NMC) Brisbane is seeking expressions of interest from social enterprises, not for profit and commercial organisations to provide a small office space (or room within a larger facility) on Brisbane's Southside with easy access to public transport.

This is a unique opportunity for you to provide services for people living, working and frequenting the local area. Most importantly, this is a valuable opportunity for your organisation to earn Sadaqatul Jariyah.

### Preferred Applicant/s

Submissions from the following organisations are strongly encouraged:

- Muslim community groups
- Local businesses
- Local centres
- Mosques

### What NMC hopes to achieve

NMC Brisbane's focus is towards the educational, social and emotional needs of each new Muslim at an individual level as well as facilitating and connecting new Muslims to the various activities occurring within the larger Brisbane Muslim community and Queensland.

NMC Brisbane also endeavours to provide opportunities for new Muslims to develop a close connection with their local Masjid and community through existing and new social networks.

Social benefits include, but are not limited to:

- Providing community information and resources
- Supporting community activities and events
- Creation of or participation in a training or mentoring scheme aimed at improving the knowledge of new Muslims
- Initiatives that provide enhanced integration for new Muslims into the existing community

Applicants are encouraged to see this list as a guide only and not a limit to how any social benefit could be delivered.

### Register your interest today! Submissions close 5:00pm Fri 30 October 2015
