

Monthly Forum: Origins of the Israel-Palestine Conflict

Do you find the Israel-Palestine conflict confusing? Would you like to understand the history of the conflict from the very beginning? Then, please attend this month's AMARAH forum where Dr Halim Rane will be the guest presenter.

This May marks Israel's 60th anniversary of statehood, which also means that it marks the 60th anniversary of the Nakba or Catastrophe – the ethnic cleansing of over half the entire population of Palestine from their homes and land. Israel's continued occupation of Palestine is one of the most brutal and the longest-running in modern history. It is arguably the most important conflict of our time. As the renowned journalist John Pilger continues to say: 'Palestine is still the issue'.

The forum will be held on **Sunday 4 May** at **7pm** in the meeting room of the **Garden City Library**, Mt Gravatt.
