## *Family Portrait Fundraising*

Dear Parents,

Please help your school/organisation raise valuable funds by participating in their upcoming advancedphoto family portrait fundraiser.

advancedphoto family portraits provide memories to be kept and enjoyed by the entire family for years and generations to come.

Our photographers will take a professionally posed photograph of your family and supply them in your choice of colour or black & white print with a quality frame ready to display.

Your photographer will also take additional photographs of your family members in a range of poses for you to view with absolutely no obligation to purchase.

Please take a moment to read through the conditions of the fundraising offer that appear below on the Family Portrait Fundraising Voucher, complete the details on the front and then return the voucher to the fundraising coordinator with your non refundable sitting fee.

We have included a second voucher should you wish to invite a friend or neighbour to participate in the offer.

The fundraising coordinator will then contact you regarding your preferred appointment time.
