Muslims Australia AFIC

Muslims Australia AFIC is the peak Islamic body representing Muslims of Australia. It is supported by nine State and Territory Councils and over 100 member organisations across Australia, Tasmania and Christmas Island. AFIC was established over 50 years ago and has evolved throughout that time to respond to the needs of the Muslim community in Australia. It has assisted member organisations to establish Mosques, community centres and other institutions across the country, particularly in remote and regional areas that would not otherwise have the capacity to provide these much needed community assets.
