**MESSAGE FROM PRIME MINISTER JULIA GILLARD**

**CRESCENTS OF BRISBANE  
CRESWALK 2013**

On behalf of all Australians, I send my warmest best wishes to everyone who is part of CresWalk 2013.

Now in its tenth year, CresWalk has become one of the highlights of Brisbane's multicultural calendar.

This remarkable event reflects the goal of Crescents of Brisbane to foster a healthy lifestyle through sport, entertainment, education and culture, particularly amongst Queenslanders of Islamic heritage.

Through today's event, you are building a better society and ensuring that our great nation grows in tolerance, harmony and respect.

I hope CresWalk 2013 will be a wonderful success, and that everyone who participates feels they have been part of something worthwhile.

You have my sincere encouragement, and I thank you all for showing such a strong sense of community spirit.
