

# TWO ISLAMIC COURSES ON ONE WEEKEND IN BRISBANE

**Saturday 22nd June 2013**

## Theology of Qur'an

This course delves into the core of Islam and its teachings about God which forms about a third of the Qur'an. It explains how Islam answers four fundamental questions about God; Is there a God? If so, is God one? If so, how do humans relate to God? And what is the Islamic worldview hinging on responses to first three questions.

**Sunday 23rd June 2013**

## The Golden Age of Islam

This course will cover a thorough survey of the golden age of Islamic history. How history is shaped immediately after the Prophet (pbuh); Islam's diffusion throughout the world during the Umayyad and Abbasid eras; Muslim contribution to science and civilisation; and the Crusades emergence of powerful sultanates up to 18th century and will be covered.
