Islamic Society of Holland Park FUNDRAISING DINNER

The Islamic Society of Holland Park is hosting a fundraising dinner in order to collate funds for various renovations and extensions to their existing buildings. These buildings will include the major renovation of the Mosque itself, the Islamic Hall and the Multi-Purpose Centre across the road.

Taking care of Mosques and tidying its contents and surroundings is something that is praiseworthy and encouraged. The one who does this will be rewarded by Allah (SWT) for such good deeds. Allah (SWT) has commanded us to venerate our Mosques when He says, "Houses which Allah has ordered to be raised are to be cleaned and honoured, and in them His name remembered". Surah Nur (24:36).

Concept plans have been drawn up for what the committee have planned to do in these renovations. Further details regarding the renovations will be explained at the dinner. In order to efficiently achieve our plans, we require over \$500,000.00. We need your help to get this done quickly.

On the day, we will be forecasting potential costs for specifics such as foundations, rendering, carpets, windows, etc. So please bring your cheque books, cards, etc to the fundraising dinner to donate as much as you can.

Please note that there will be segregated seating for the ladies.

Wasalam
