"for absolute beginners"

UNDERSTANDING CRYPTO-CURRENCIES

WHEN: SATURDAY 17 FEBRUARY 2018

TIME: 3PM to 5PM

WHERE: Events Hall, IWAQ, 11 Watland St, Springwood

COST: FREE ENTRY. Refreshments will be provided.

FACILITATOR: Dr Mustafa Ally

In this workshop you will be introduced to the **fundamentals** of crypto-currencies to help you make more informed decisions about their purpose and status as means of exchanges and stores of value.

To register, go to link: <https://tinyurl.com/mbc-ccworkshop>

Please note: Places are very limited, and applications will be accepted only on a first-come-first-served basis.

For more information: email haris.akram@gmail.com or call 0414 629 007

Dr Mustafa Ally is a Senior Researcher and Lecturer in Information Systems in the School of Management & Enterprise at the University of Southern Queensland. He has designed and teaches a post-graduate course in Crypto-currencies at the University, and researches in the areas of digital currencies, blockchains and regulatory issues.
