

From Caboolture Catholic Parish to the Muslim faithful of Brisbane,

Today at Mass we pray for the victims of the Christchurch attack and their families and friends. We wholeheartedly condemn the killings of innocent people at prayer at the Al Noor and Linwood mosques.

We also pray that you, our Muslim brothers and sisters, will always be safe here in Brisbane.

We feel helpless in the face of such evil. But as fellow people of faith, we hope that our prayers might bring a little comfort and light to you at this dark time.
