Dear Mr Briscoe

Thank you for your submission of your industry COVID Safe Plan for the Places of Worship. I would like to advise that the Industry COVID Safe Plan for Places of Worship has been reviewed. I therefore grant approval of the Industry COVID Safe Plan for Places of Worship.

Approval is provided for Places of Worship in Queensland to operate for Stage 2 and Stage 3, as specified under the Queensland Government Roadmap to easing Queensland's restrictions. This approval may be subject to change if the *Restrictions on Businesses, Activities and Undertakings Direction* is amended or revoked.

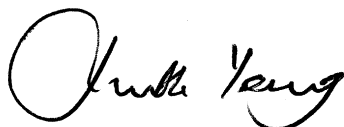

This approval is subject to the following conditions:

- a) Physical distancing to be maintained by all workers, members, participants and visitors.
- b) Social distancing and density requirements, as specified in the Plan.
- c) Hand and respiratory hygiene are to be encouraged.
- d) Frequent environmental cleaning and disinfection must be maintained.
- e) Workers and visitors who have symptoms related to COVID-19 must be excluded from the site.
- f) Contact information must be kept for all workers and visitors for contact tracing purposes, including name, address and mobile phone number for a period of at least 56 days.

Please find enclosed a Statement of Compliance that is to be provided to businesses who have opted-in to comply with the Industry COVID Safe Plan for Places of Worship.
